

Submission guidelines contributed paper

- Submission are made via **ConfTool** (<https://www.conftool.pro/eaae2023>). The ConfTool submission system for contributed papers will be open from October 15th 2022 until January 31st 2023. You will be required to (1) upload your manuscript as a pdf and (2) provide additional information directly in the online submission system as indicated below.
- Guidelines for the creation of your **manuscript**:
 - To not interfere with the **double-blind review process**, uploaded files should be free of any reference to the authors.
 - The **title page** (first page) of your manuscript should include the title of your paper, followed by an abstract of maximum 150 words, followed by a maximum of five key words. The abstract should give a clear idea of the main conclusions of the paper, the methods employed and some indication of the line of reasoning.
 - Contributed paper submissions should adhere to a **word limit of 4500 words** (not including the title page, tables, figures and references). Appendices are not allowed.
 - Please use a serif font type such as “Times New Roman”, font size 12, line spacing “1.5 lines”, and normal margins (2.5 cm all sides).
 - Manuscripts should be divided into sections, each with number and section heading. Use no more than two levels: sections and sub-sections.
 - Footnotes should appear at the bottom of the page in which they are inserted.
 - Tables and figures should be placed in the text near to their citation. Number tables and figures consecutively. Type captions with an initial capital only.
 - For referencing please refer to the style of the [European Review of Agricultural Economics](#). Collect references at the end of the manuscript.
- **Necessary additional information** to complete the online submission:
 - Title of the contributed paper
 - Author(s): name, ORCID, affiliation, contact details (for multi-authored paper: indicate the presenting author and the most senior author)
 - Presenting authors and senior authors will be requested to review and evaluate other contributed paper submissions. The willingness to do so will be asked in the online submission system.
 - Abstract (max. 150 words): should be repeated verbatim from your manuscript
 - Keywords (max. 5): should be repeated verbatim from your manuscript
 - You will need to select a specific stream and max. 4 topics that best suit your contributed paper from a predefined list.
 - Word count of the manuscript (not including the first page, tables, figures and references): should not exceed 4500 words
